Re: *United States v. Jose Santana*, 18 Cr. 466

Dear Judge Gardephe:

MEMO ENDORSED:

The application is granted. The
April 3, 2020 hearing is adjourned
until June 5, 2020 at 3 p.m.

SO ORDERED

Dated: March 27, 2020

The Government writes to respectfully request a sixty-day adjournment of the parties' April 3 violation of supervised release conference in the above-captioned matter. The defendant's state charges, which are the basis of a number of the defendant's violations of supervised release, remain unresolved. The Government has sought to have the defendant's federal writ satisfied so he may be transferred back to state custody to reach a disposition regarding his state cases, after which the defendant may be better positioned to resolve his violations before this Court. Accordingly, the Government requests that the Court adjourn the April 3 conference to a date sixty days thereafter. The Government further requests that the Court exclude time under the Speedy Trial Act from today's date up to and including the next scheduled court appearance, and submits that such exclusion of time is in the interest of justice. The Government has conferred with defense counsel, who consents to this request.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
